

IIM Raipur holds two-day leadership summit

TIMES NEWS NETWORK

Raipur: Indian Institute of Management (IIM), Raipur organised a two-day leadership summit at its campus.

A panel discussion on Emerging Engines of the Future Indian Economy was conducted on the second day of summit.

The two other panel discussion was focused on the theme - Strategy to drive Sustainability in an Era of Business Disruptions and Decoding Integrated Logistics & Market Shifts for Driving Growth.

Several leaders including professors addressed the summit at the institute. Raipur district collector Dr Sarveshwar Bhure addressed the gathering on Sunday and drew similarities between his journey and that of management leaders. He also emphasised on the importance of hard work

Dr Sarveshwar Bhure, Raipur collector, during the valedictory function of the Leadership Summit at IIM Raipur

and keenness for knowledge at every stage of ones career and how to choose role models while carving your own path in life.

Through this summit, IIM Raipur provided a platform for rigorous discussion

on myriad of topics with leaders from various industries presenting their thoughts driven from years of experience in their respective fields, exposing the students of the institute to the pandoras box of their expertise..
