IN ITS endeavour to make its contribution towards the promotion of excellence and capacity building of existing and future leaders, Indian Institute of Management (IIM) Raipur has organised a day-

long campus visit for the middle and senior level managers across industries from different sectors recently.

As per the Chairperson Executive Learning and Development & program director Professor Dr Anubha Dadhich, this is the sixth batch of leadership and change man-

agement programme.

We invited participants from batch 3,4 & 5 also along with this group, as their campus visit got cancelled due to COVID at that time, she informed.

She further informed that twenty-seven participants attended the programme across Chhattisgarh, Haryana, Jammu & Kashmir, Maharashtra, Jharkhand, Orissa, Rajasthan, Tripura, Uttar Pradesh, Uttarakhand, Gujrat, Karnataka, Tamil Nadu, Bihar, and Telangana. During the day, sessions on reflections, leadership in the context and how to manage change were delivered along with team building and other exercises. More such programmes shall be organised by Executive Learning & Development at IIM Raipur.
